

MIGUEL HERNANDEZ

SENIOR VICE PRESIDENT,
GLOBAL OFFSHORE

Miguel Hernandez is the Senior Vice President of Global Offshore for ABS, based in the corporate headquarters in Houston, Texas.

In his current role, Miguel leads global strategic planning and client development for the offshore energy and offshore wind market sectors, with a special focus on supporting clients in the energy transition to new, greener energy solutions.

Miguel has more than 20 years of experience in the oil and gas industry, including expertise in global strategic account management, offshore sales and business development. Prior to joining ABS, Miguel held numerous senior leadership positions at organizations including MODEC, SBM Offshore and FMC Technologies where he established long term strategic vision, developed new market entry initiatives and led worldwide account management strategies that strengthen global client portfolios.

Miguel holds a Bachelor of Science in Mechanical Engineering Technology from Texas A&M University and a Master of Business Administration from Rice University. He currently resides in Houston, Texas with his wife and two children. In his free time, Miguel enjoys being with family and supporting his children's sports activities.
